1. **Introduction** (10%)
The purpose of this assignment is to assess your understanding of the concepts of the course and your ability to apply them to a real-world scenario. You are required to write a report of no more than 1000 words, excluding references, on the topic of 'The Role of the Nurse in the Management of Chronic Disease'. Your report should be structured as follows:

2. **Background** (20%)
Provide a brief overview of the chronic disease you have chosen to focus on. What is the prevalence of this disease in the UK? What are the common symptoms and signs? What are the current guidelines for the management of this disease?

3. **Role of the Nurse** (30%)
Discuss the role of the nurse in the management of this disease. What are the key responsibilities of the nurse? How does the nurse work with other members of the healthcare team? What are the challenges faced by the nurse in this role?

4. **Conclusion** (10%)
Summarize the key points of your report. What are the main findings? What are the implications for practice?

5. **References** (30%)
List the references you have used in your report. Use the Harvard referencing system. You must include at least 10 references, of which at least 5 must be from peer-reviewed journals.

6. **Appendix** (10%)
Include any additional information that you think is relevant to your report. This could include a flowchart, a table, or a list of key points.

7. **Marking Scheme** (10%)
Your report will be marked according to the following scheme:

Criteria	100%	90%	80%	70%	60%	50%	40%	30%	20%	10%	0%
Content	Excellent	Very good	Good	Fair	Below average	Poor	Very poor	Not relevant	Not relevant	Not relevant	Not relevant
Structure	Excellent	Very good	Good	Fair	Below average	Poor	Very poor	Not relevant	Not relevant	Not relevant	Not relevant
References	Excellent	Very good	Good	Fair	Below average	Poor	Very poor	Not relevant	Not relevant	Not relevant	Not relevant
Appendix	Excellent	Very good	Good	Fair	Below average	Poor	Very poor	Not relevant	Not relevant	Not relevant	Not relevant

8. **Submission** (10%)
Your report should be submitted by the deadline. Late submissions will be penalized. You must submit your report in a hard copy and a soft copy (PDF format).

9. **Feedback** (10%)
You will receive feedback on your report. This feedback will be used to help you improve your work for the next assignment.

10. **Conclusion** (10%)
This assignment is an important part of your course. It will help you to develop your skills and knowledge. It will also help you to understand the role of the nurse in the management of chronic disease.
